

To whom this may concern: I'm a cab driver in Dallas Texas and I fully depend on the weather and traffic ch. to help get passengers to the Airport (DFW). If it is pulled off the XM unit, things will go back to the way it was before. (Late to airport). Passengers are greatful that I have it. It make life and driving so much easier in the USA. Please keep it on XM. We need it.

Thank you for your time. Johnny Wicker (The Quicker Picker) 214-477-8571
